SSLCOM actions from 02 May 2012 meeting

Item number on minutes	Issue noted (see minutes for full details)	Action	Person responsible
2 (item 2 on previous minutes)	Item carried over from previous meeting	TC to send information to DJA on what is needed in the student wiki.	TC
2 (item 2 on previous minutes)	Even after hearing a response from the lecturers of COM1001 the students still felt that it would be helpful if the projects were completely different.	AJHS to feed back comments to lecturer of COM1001	AJHS
2 (item 3.3.1 on previous minutes)	In the previous minutes it was noted that, over the summer, DJA will identify which academics will need to use the Tomcat server to make sure they are all configured in the same way. SDN commented that there needs to be someone other than GAW who can restart the server. JK also asked if the server could just be restarted overnight automatically.
